

Urnenerdröhre

mit diagonaler Grabplatte  The diagram shows a cross-section of a burial tube. At the top, a diagonal cover plate is shown in an open position. Below it, a horizontal line indicates the ground level. Inside the tube, two hexagonal urns are stacked vertically. A red arrow points from the text 'Sicherheitsplatte aus Edelstahl' to a horizontal line between the two urns, representing the internal safety plate.	Urnenerdröhre aus Edelstahl Material V2A, Durchmesser 25 cm Maße für 2 Urnen: 75 cm Sicherheitsplatte aus Edelstahl Material V2A, innenliegende Sicherheitsplatte um unbefugten Zugriff auf die Urnen zu verhindern
